Bert,

Sorry for all the back and forths on this but we need to make sure the CSFs are correct. I reviewed the revised documents you sent over on Friday afternoon and the changes look fine. However, for the basic CSF we need the date on the CSF to be updated with this submission as to not be confusing. The basic you submitted matches a basic CSF that was approved last April and has since been superseded. If we accept the CSF with that date again, it would be very confusing. Can you update the date in box 21 on the basic CSF and update the formulators exemption with the revised date as well and resubmit?

Thanks,  
Erin

Erin,

See attached revised basic CSF adding the additional Establishments (similar to the alt. CSF), and also updating the formulator's exemption (Form 8570-27).

Please let me know, if we are OK now!

Thanks,  
Bert

Bert,

The revised basic you sent in is missing one of the establishments on the attachment. For [REDACTED] If you still want that establishment then please send me another revised basic with that additional establishment as well as a the product name corrected with the space between 50 and WG.

Lastly, I will need a revised formulator's exemption that reflects both sources and dated to line up with these CSFs.

Thanks,  
Erin

Bert,

I have reviewed the proposed alternate CSF dated 3/17/14 and I need a few revisions for approval of this application.

1. The product name in box 3 on pages 1, 2, and 3 are missing the space between 50 and WG
2. The producer information in box 2 on the proposed alternate as well as your current basic dated 1/10/14 is insufficient. Please submit revised basic and alternate CSFs (with revised dates in box 21) that either include the physical address of where this product is being produced in association with establishment # [REDACTED] OR include a point of contact name and number who would be able to answer questions about the establishment facility if enforcement needed to contact them.

Let me know if you have any questions.

Thanks,  
Erin

Hi Erin,

With this e-mail I would like to confirm that the date of 2/18/2014 is a typo, and it should have been 2/28/2014. Please proceed with the notification for the alternate CSF dated 3/17/2014. I am withdrawing the earlier notification dated 2/28/2014 (Decision #489495). Sorry for this mistake and inconvenience it has caused.

Kind regards,

Bert

Mr. Volger,

We have received two notification requests for the product Azoxystrobin 50 WG. On the cover letter dated 3/17/14, you indicated that you would like the revised alternate CSF to supersede the CSF dated 2/18/14. I assume it is a typo and you wish to supersede the alternate dated 2/28/14. Could you confirm? And if so, could you please respond in this email stating that you wish to withdraw the notification with decision #489495, which included the alternate CSF dated 2/28/14? We will then process the second notification we received with the alternate CSF dated 3/17/14.

Let me know if you have any questions.

Thanks,  
Erin
